

The future starts here.

It's saving and planning for the future, on the go.
Meet the Principal® app.

The Principal® app is designed to save participants time while they save money. Whether it's the intuitive interface or easily understood transactions, the distance between planning future success and your participants just got a few taps closer.

Principal® app in English and Spanish –
Intuitively designed for access to all Principal accounts on the go.

Here's how it works.

The Principal® app is streamlined for convenience and speed. It puts participants in control, getting them the answers they want quickly and letting them make changes within their accounts efficiently. It's all about helping them plan for the future, while getting them back to living their lives as quickly as possible.

On the go access to retirement savings progress and more

Update paycheck contributions

² As allowed by the plan.

³ Loan options are based on retirement account plan features.

The Retirement Wellness Planner information and Retirement Wellness Score are limited only to the inputs and other financial assumptions and is not intended to be a financial plan or investment advice from any company of the Principal Financial Group® or plan sponsor. This calculator only provides education which may be helpful in making personal financial decisions. Responsibility for those decisions is assumed by the participant, not the plan sponsor and not by any member of Principal®. Individual results will vary. Participants should regularly review their savings progress and post-retirement needs.

You should consider the differences in investment options and risks, fees and expenses, tax implications, services and penalty-free withdrawals for your various options. There may be other factors to consider due to your specific needs and situation. You may wish to consult your tax advisor or legal counsel.
